

1

**Check that your cochlear implant
or hearing aid is connected
to your smartphone or tablet.**

2

**Download the ListenWiFi App
either on your smartphone or tablet**

3

Scan to connect to the local Wi-Fi*:

4

**Open the ListenWiFi App
and activate the “Ascoltami!” channel**

*** PLEASE NOTE: the WiFi network is not connected
to the Internet, it ONLY allows you to follow the tour**
